THE KAPRI CONTROVERSY

Dear *BootyLicious,*

I write to you every edition to tell you what a great porn mag you have, but you really disappointed me with your March/April issue. I was thrilled to get your new issue and randomly flipped it open to the inside of the back cover only to see the grossest cunt and asshole close-up photo that I have ever seen, and I have seen hundreds. That gross cunt and asshole turned me off so much that reading the rest of the book was pointless, even though some of the other photos and models might have been sexy. At that point, I was just turned off. Please be more careful in the future or my friends and I will definitely stop buying *BootyLicious* mag.–R.S., Tillsonburg, Ontario, Canada

Dear *BootyLicious,*

I'm a very reasonable guy. I say that because I understand how hard it must be to make a magazine that caters to us ass-lovers. There are all kinds of ass, in all flavors and I imagine that it must be some kind of tough job figuring out who to put in the magazine to get that perfect balance of girls in every issue to satisfy all of us guys out here.

That said, I just want to know what the fuck you were thinking when you put that huge picture of a gaping asshole and bat cave of a pussy on that last page of the March/April issue. Seeing that made my dick shrivel. Not to say that Kapri Styles is not a pretty girl, she is. But you did her a terrible injustice showing her stuff all blown out like that for the world to see. Don't ever use a shot like that again. It was nauseating. That is the nicest word I can use to describe it. It was fucking horrible. –D.O., Erie, Pennsylvania

Dear *BootyLicious,*

Thank you for the great job on the March/April '09 issue of the mag. I thought all of the girls were beautiful and had amazing asses. The one girl who really caught my eye was Kapri Styles. She might not have had the biggest ass in the issue, but goddamn was it sexy to see her gaping asshole at the end of her spread. Her pussy and asshole looked ready for my big dick

KAPRI'S WIDE OPEN ASSHOLE AND PUSSY CAUSED QUITE A STIR! READERS WERE EITHER LOVIN' OR HATIN' THE GAPING!

J.F. FROM ATLANTA SAYS THAT SAPPHIRA'S ASS IS INCREDIBLE AND EDIBLE!

and I loved the anal cream pie at the end. There is nothing that I love to do more than to fill up a woman's backdoor with my hot cum and seeing her wide open like that and dripping cum was amazing. Please put more shots like that one in the magazine. It was realistic and made me think of all the snug and tasty assholes I've speared over the years.–J.N., Brentwood, California.

Dear *BootyLicious,*

Finally! I've been waiting for you guys to wise up and shoot some realistic ass-fucking and you guys finally nailed it (no pun intended) in the March/April '09 issue. When I opened the magazine and saw Kapri Styles' wide-open fuck-hole and filled-to-the-rim-with-cum asshole, my dick was hard instantaneously. That's what pussy and ass looks like when it's been torn up by a cock and that's what I like to see! When I fuck a woman in the ass, I like to leave it nice and wide and full of cum. And Kapri's asshole does not disappoint. You guys are really stepping your game up. I like that a lot. Keep it up and keep my big dick up, too!–J.F., Atlanta, Georgia

SAPPHIRA'S ASS IS SO SUCCULENT!

SEDUCED BY SAPPHIRA

Dear *BootyLicious,*

I'd like to give my compliments to your magazine. I think that your organization and staff are doing an astounding job and that you should all keep up the good work.

Over a period of time you have had numerous models that were drop-dead gorgeous and mouthwatering. One of your models was created to stand out alone and a utopian goddess. That model is Sapphira Chanel. She is the most tantalizing black woman that I've ever laid eyes on. I could just imagine licking her whole body from head to toe, savoring her caramel skin.

I've had fantasies about the two of us in a 69 position all night long. She's sucking my rock-hard cock as I'm making love to her perfect, juicy ass. I'm kissing her round, firm ass cheeks and then

I'm sucking her sweet pussy as her ass bounces up and down on my pussy juice and cum-coated face. Then in less than a second, I start tongue-kissing and tongue-fucking her sweet, tender asshole for countless hours. Your next contest should be a Sapphira Chanel thong contest. It would be the contest of the century.–D.W., Elyria, Ohio

older brother's garage the other day. (He buys your mag all the time and hides them from his wife in the garage.) I brought it back to my dorm room and forgot all about it until later that night when I came back from playing basketball and thought it would be nice to end the night by busting a fat nut. That's when I opened the mag up and there she was: The most-amazing, sexiest, most-fuckable girl in the world, Ms. Stacey Foxx. It was like it was meant to be. She was posing with that basketball and I'm a basketball player. She wanted horny guys to see her ass and I want to fuck her ass so bad that even thinking about it now, I am sporting a huge boner. Please tell me that she has a movie out where she is fucking and I can see her in action. Please tell me that I can see her suck a cock and imagine what she would do to all 9 inches of my meat. Let's see more Stacey Foxx! Oh, and I promise to stop stealing your mag from my brother and start buying my own.–N.M,, Stamford, Connecticut

Dear *BootyLicious,*

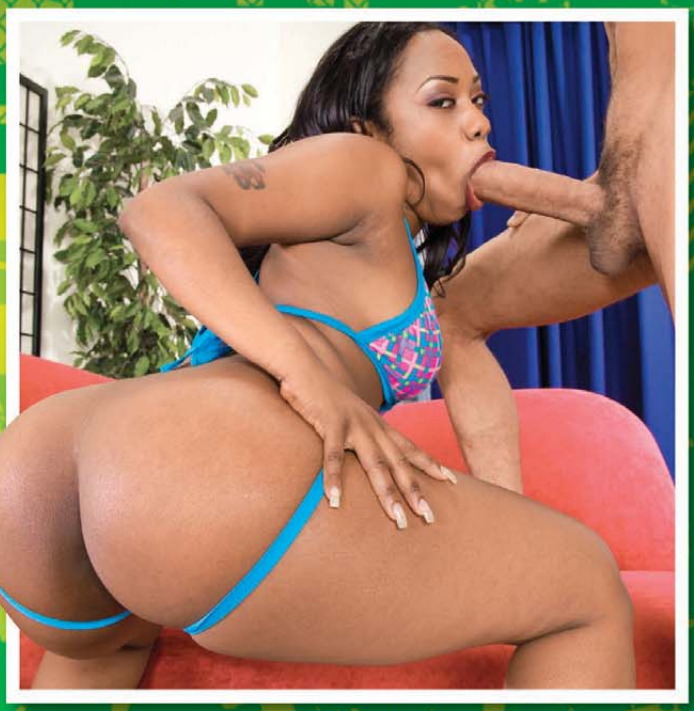

Wow! I love your magazine. I have never written in to a magazine before, but I can honestly say that I love *BootyLicious* and that I felt compelled to write in and tell you that I am a fan for life. I have looked through two of your issues and everything is great. From the girls to the raunchy fuck pics, it's all really good. You guys really know what guys who like ass want! You deserve an award for the great job you're doing. Oh, and if you can, please bring back Ms. Juicy. She is my favorite! Especially in the *Thong Team* DVD. She fucks so raunchy that it maks me cum ASAP!–F.B., Kansas City, Missouri

VIDEO REVIEW

KARA KANE

WHITE BREAD BLACK JELLY

Meet 1 Da Bred, the hottest white rapper that no one's ever heard of. But he has dreams of being famous and they all revolve around fuckin' as many black asses as possible. This white boy can't lay down tracks but he does lay pipe in all the big butts and pussies he finds.

KAPRI STYLES

When Kapri shows up to be a dancer at a rapper's video shoot, she doesn't realize that means that the rapper in question will be shooting his load all up in her bubble ass. But that's exactly what happens and she takes all that cream in her crack.

WHITE BREAD BLACK JELLY

STACEY FOXX

Stacey shows up on a video set only to meet 1 Da Bred, a wannabe rapper who has nothing going for him but big dreams. She almost leaves and then he shows her his big dick and she decides to give him some pussy, anyway. Hey, she figures that he might just be famous one day, right?

KALI DREAMS

1 Da Bred sees Kali Dreams on the street and tells her that he wants to make her a star. He fails to mention that he means a porn star, but that's quite all right. Kali wants to be famous almost as much as he does, so when he dangles his meat in her face, she has no problem sucking the whole thing down.

LUSCIOUS LOUIS

Luscious is appropriately named and her booty is her claim to fame. When she is approached to star in 1's new video, she's all for it. She doesn't even mind when she has to fuck and suck his dick to get the part. That's dick-termination.

KARA KANE

Kara Kane has always wanted to be a dancer. Not a ballerina and not a ballroom dancer. She wants to be a booty dancer. She can shake her ass like nobody's business and she wants to break into the hip-hop business and be famous. She is just the kind of girl that 1 Da Bred is looking for. He's a janitor posing as a rapper and he convinces her that if she gives him some pussy, that he will give her a break and take her to the top. Apparently, getting to the top means giving up that bottom because our white boy fills her asshole with dick!

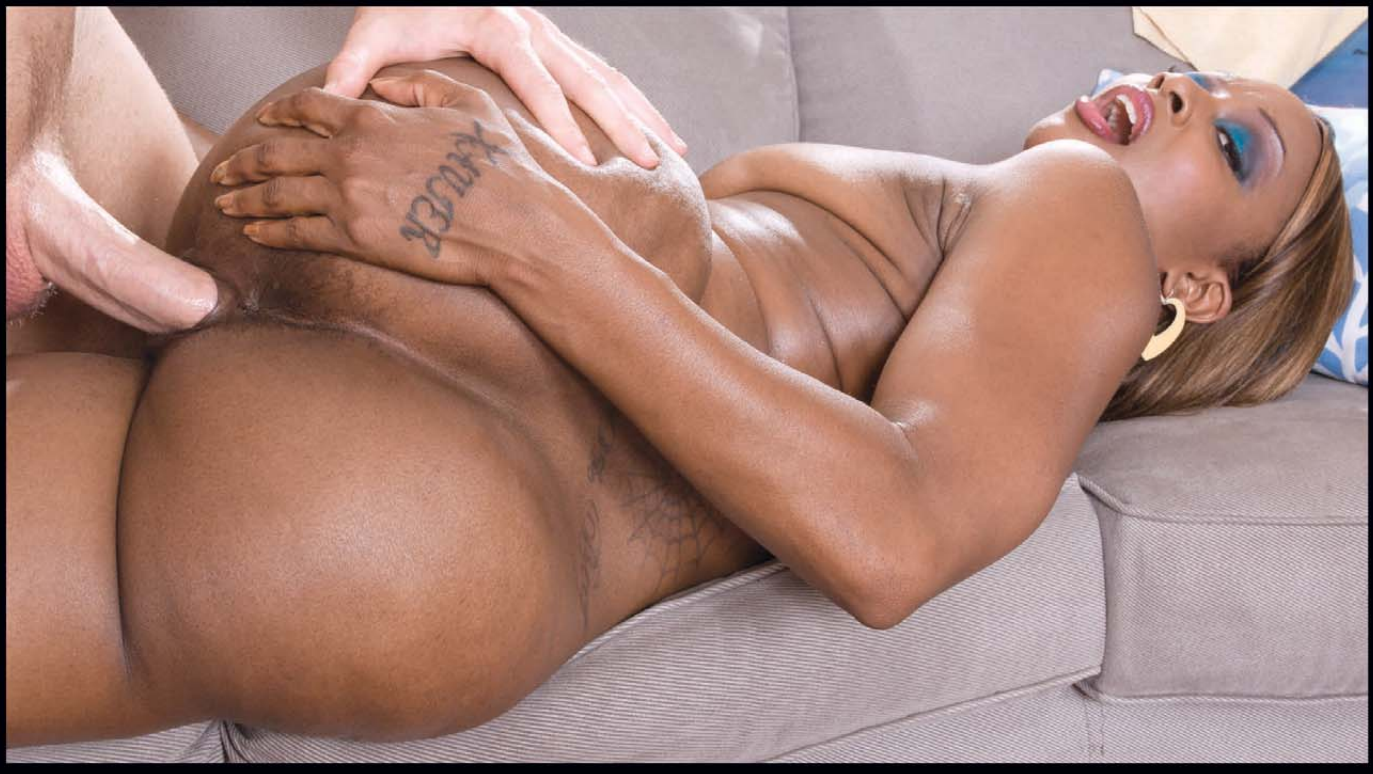

CHEETAH BLIGE

Cheetah is so impressed by 1's gold records that she gets a little bit of the groupie fever. (If she only knew that he spray-painted those records gold five minutes ago…) That fever spreads right down into her wet pussy because she spreads her thighs for his hard white cock and takes all his hot white cum.

Joei Deluxxxe
Business Booty

Welcome to* BootyLicious, *Joei. We'd like to make your booty our business.

"I hear that from a lot of guys. They are always trying to be all up in my business. But truth be told, I'm not about all that. After a long day of work, I like to snuggle up on my couch, read a good book and drink a glass of wine. I like erotic fiction novels. It's hot to read something raunchy and touch myself until I cum. That's my routine every night."

That's pretty hot. We're imagining you as a good girl who goes wild. You're a freak in geek's clothing.

"[*Laughs.*] Hey! Just because I like to read doesn't make me a geek! I just like to read about nasty sex. I like to get off on what's going on in my imagination because I have a really dirty mind. And I also pick up a lot of sexy tips when I read erotic fiction and I use them when I am fucking. I've used a lot of different things that were inspired by the dirty stories I like to read. My favorite was when I was reading a novel about food play. I asked my then-boyfriend to put strawberries and whipped cream all over my ass and eat it out of my crack. It was so fucking hot!"

Tell us about other sexual fantasies you've lived out, Joei.

"I was actually inspired to do this shoot because I always had this fantasy about being a slut secretary. I worked for this dickhead CEO for a long time and he treated me terribly. But he was so hot that whenever he'd yell at me, it would just make me horny. I'd always fantasize about waiting for him on my desk with my ass and pussy hanging out so he could fuck me right then and there."

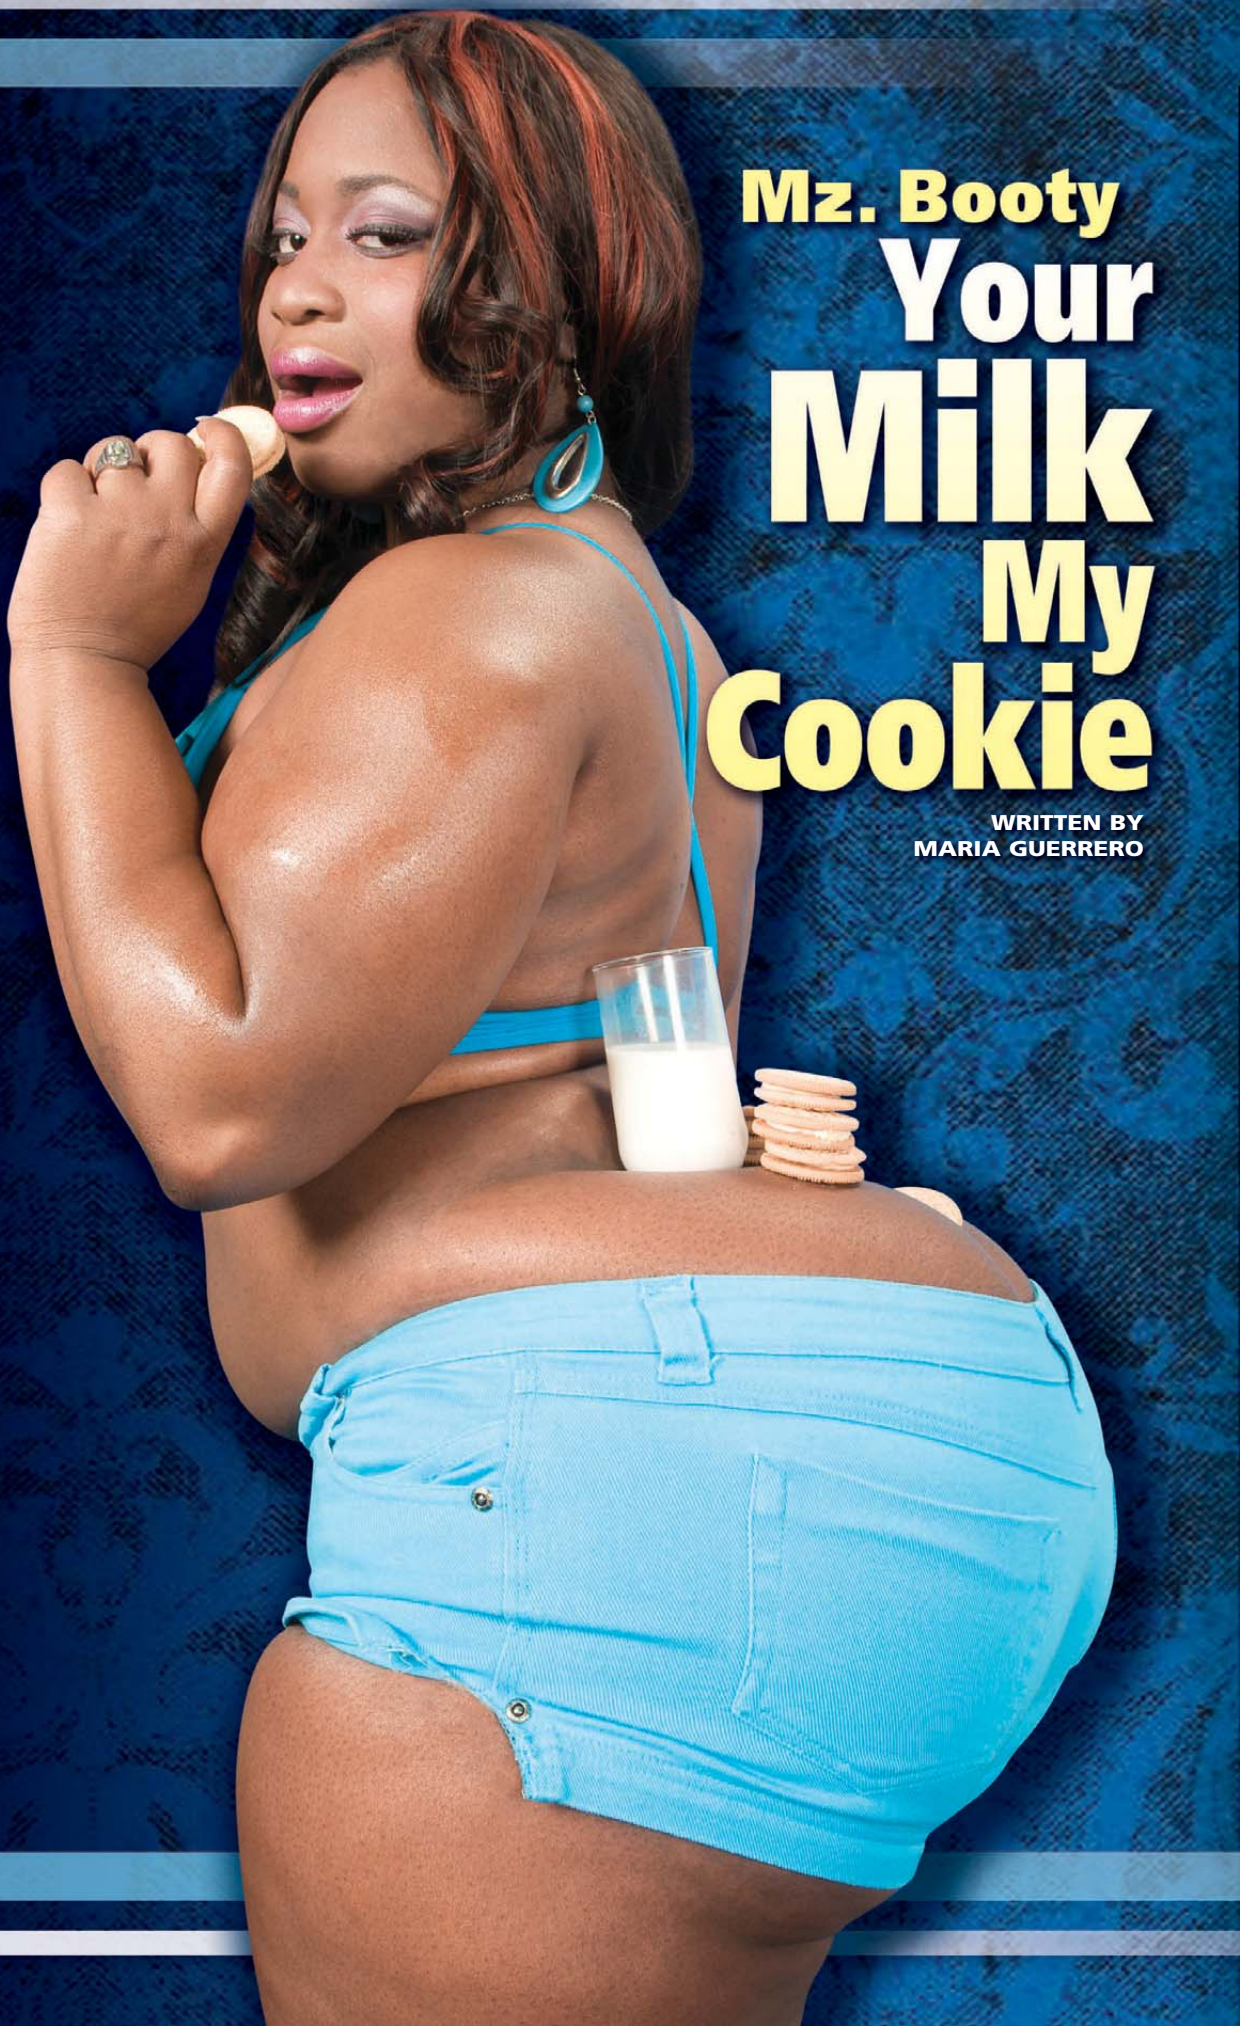

Tell us, did you ever get the chance to bang your asshole boss, Joei?

"Unfortunately it never happened. But I did get a little crazy on my last day working there. When he went to lunch, I went into his office, got naked and played with myself on his desk and in his chair. I was so fucking horny because I could smell his cologne and because I knew that at any moment, I could get caught. I'm sure that the smell of my pussy was still lingering in the air when he got back."

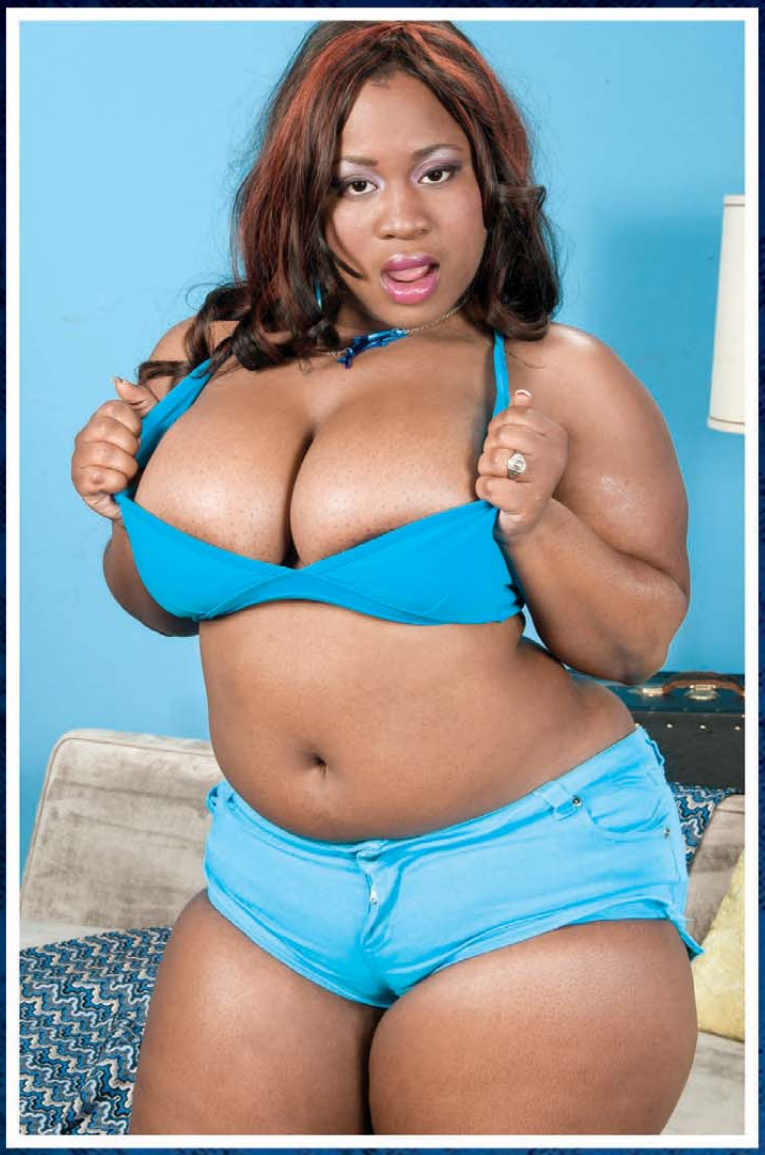

BOOTYLICIOUS INTERVIEW

Mz. Booty Your Milk My Cookie

WRITTEN BY
MARIA GUERRERO

Here at BootyLicious *we know asses. Big ones, bubble ones, round ones, stuffed ones, spread ones; there isn't much we haven't seen. In fact, we pride ourselves on our ass-pertise. That is why when we first laid eyes on Mz. Booty and her bountiful bottom, we thought that we were seeing things. You see, standing at a mere 4'9", Mz. Booty looks like a tiny, cute little thing from the front, which is how we saw her for the first time. Then, she turned around and let us take a look at her tremendous trunk and we turned into that cartoon wolf, mouth open, tongue hanging out to the side, salivating like we hadn't had a meal in days. Mz. Booty's huge ass will do that to you. It will reduce you to a fool who can't say anything for the first five minutes but "Wow! Big ass," over and over again. But after spending some time with her, you will fall in love with her quiet, sweet demeanor and her tinkling laughter. That is, until she gets up and you catch a glimpse of her caboose again and you are struck dumb by its grandeur.*

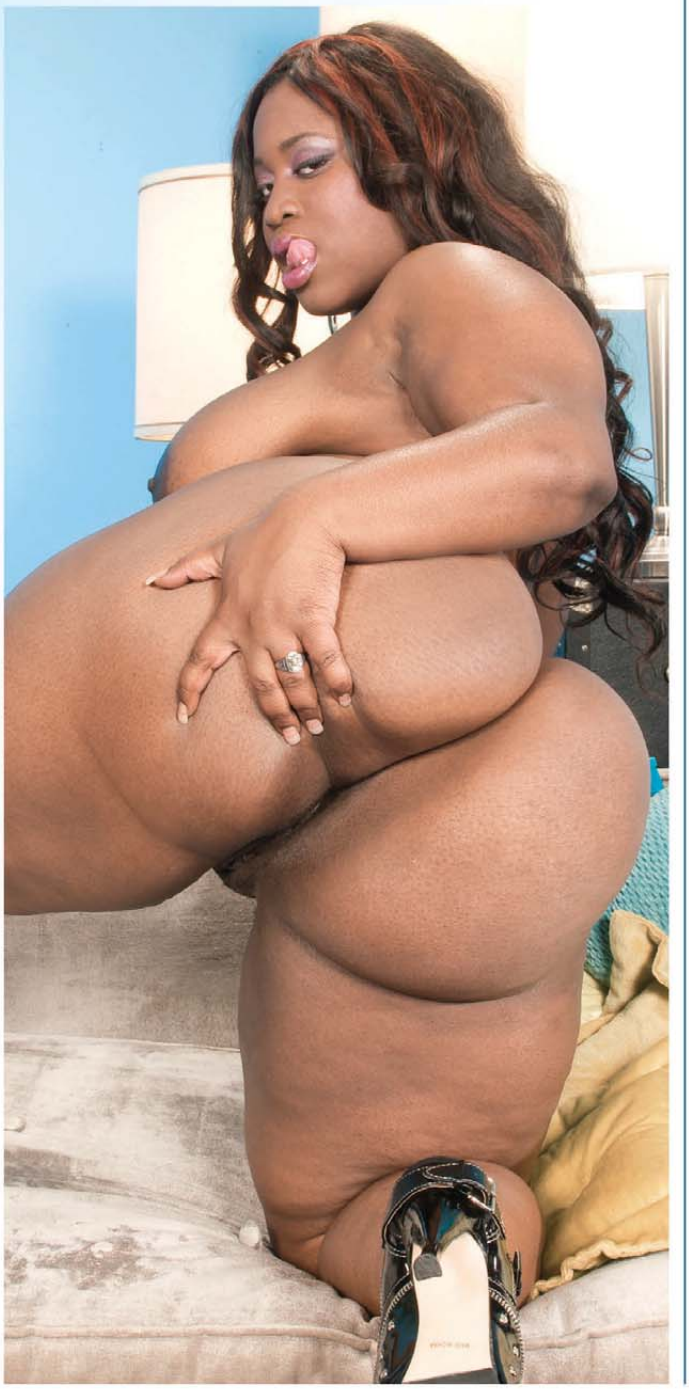

"I like getting it doggie-style..."

BootyLicious: Welcome to *BootyLicious,* Mz. Booty. We want to ask you all sorts of questions. Actually, we want to give you some sort of crown to wear or, like an award, because your ass is so big and so full that we think you are rump royalty. But we are getting ahead of ourselves. How old are you?
Mz. Booty: Thank you. It is nice to be here. I am 22.
BootyLicious: And you're so short, too. But it works for you. It makes your ass look even bigger. Tell us, how short are you?
Mz. Booty: [*Laughs.*] I'm very short! I'm only 4'9".
BootyLicious: Wait, what are your measurements? If you are 4'9" then your ass must be…huge. Well, it must be huger than huge.
Mz. Booty: I haven't been measured recently, so I don't really know for sure, but at the beginning of the year my ass was 59 inches.
BootyLicious: Well, that just means that we have to measure you now because, well, it's our duty. You see, the biggest ass we've had in the mag was 54 inches and if you've got a 59, well, that's just incredible!
Mz. Booty: [*Laughs.*] Well, I have lost and gained weight in the last few months, so it could have changed.
BootyLicious: Hey, we are not complaining. That just means that we get to touch the booty while we measure you. That's hands-on time and we never complain about that around here. We love it. Now while we wait for the measuring tape, let's get the rest of your measurements. You've got some pretty big boobs, too.
Mz. Booty: I am a 40 bust, I think I'm a 29 waist and I don't know about my butt.
BootyLicious: And what cup size are you?
Mz. Booty: I am a DD-cup.
BootyLicious: Ladies and gentlemen, the sound you heard was our jaws hitting the floor just now.
Mz. Booty: [*Laughs.*] I have big boobs and a big ass.
BootyLicious: Wow! You are carrying around a whole lot of curves, girl!
Mz. Booty: [*Laughing.*] Yeah, well, I always say that I am kind of balanced because I am carrying a lot on top and I'm large below. So they kind of even out.
BootyLicious: Do you ever get any back pain because of all of those curves?
Mz. Booty: Yeah, my lower back hurts a lot. It's from the weight of my chest and of course, the weight of my butt. Like, I can make my booty clap and all that, but I try not to because I'm in so much pain sometimes.
BootyLicious: That's why you need someone to hold

your cheeks at all times so that you can have some relief from your giant ass.
Mz. Booty: [*Laughs.*] I probably should, right?
BootyLicious: Now, were you always this curvaceous?
Mz. Booty: I've always been like this. I was probably in 6th grade and I had curves. It runs in my family.
BootyLicious: Wait, so you are saying that all of the women in your family have gigantic asses like yours?
Mz. Booty: Yeah, all of us are curvy. Some of them are more on the BBW side, but they all have small waists with extra-large curves. So, I guess thia was, like, my destiny or something.
BootyLicious: We think so. So, you're a Texas girl, right?
Mz. Booty: Yes. But I am originally from Mississippi. But I have lived in Texas for a long time now.
BootyLicious: And how do you like living in Texas?
Mz. Booty: Oh, I love it. It's a great place to live.
BootyLicious: What do you do in your spare time?

Mz. Booty: In my spare time I am usually chilling with my good friends and we like going out to some of the hottest clubs. Or, I really like to go bowling, too.
BootyLicious: Wait, did you say you go bowling?
Mz. Booty: I love bowling!
BootyLicious: Wow! You are a normal girl!
Mz. Booty: Yes I am no different than any other girls.
BootyLicious: Well, except that you have this tremendous ass, right? Do you get recognized a lot?
Mz. Booty: No, not yet, but I know that it's coming soon.
BootyLicious: How long have you been modeling?
Mz. Booty: Almost a year now. I started off in Atlanta and did a few movies there and then I set up a page on *rude.com* and then a couple months later, Pinky called me and she said that she wanted to work with me.
BootyLicious: How was that? We love Pinky!
Mz. Booty: Oh, that's my girl! I love her. I found someone else that is my height that is blessed with a lot of booty and now I am not the only one. I was surprised that she wanted to do something with me. So, I flew to L.A. and it all just fell into place. I just got really lucky.
BootyLicious: Now do guys hit on you when you are out and about who don't know you are in the biz?
Mz. Booty: Oh, yeah. I can

be in sweats and a T-shirt, with rollers in my hair and they still want to talk to me. And you know a couple of times, females will approach me, just to ask me if it's real or if they can touch it. It's funny. I'm used to it. I've had this booty for years, so I have learned to deal with it.

BootyLicious: Here is one of our studio staffers with some Advil for you. For our readers, Mz. Booty is sitting here with a twisted ankle. Tell us how you got injured.

Mz. Booty: I was in heels and they were really high and I am not used to wearing those kinds of shoes. I was never a dancer or anything like that. And I was outside doing a shoot on an ATV, a four-wheeler, and when I got off of it, my heel sunk into the grass. And my other leg got caught on the ATV and I completely fell on my butt and twisted my ankle. But, I managed. I sucked it up and got through the whole shoot. That's all that matters.

BootyLicious: You're a soldier! Get better, soon.

Mz. Booty: Oh, thank you. [*Makes a face.*] This is so disgusting. [*Makes another face.*] Sorry, I can't swallow pills, they make me gag, so I chew them. They taste bad.

BootyLicious: Yeah, it looks that way. Do you need gum?

Mz. Booty: No, I'll have some water and I'll be fine.

BootyLicious: So you chew pills, you twist your ankle and keep on going. You're a real trooper, huh?

Mz. Booty: Yeah, these don't taste that bad.

BootyLicious: Okay, so you were this average girl, living in Texas, right?

Mz. Booty: I was living in Arlington at the time.

BootyLicious: And one day you just decided to go into adult modeling?

Mz. Booty: Well, I was working at a Taco Bell and I was getting approached all the time to model. There was all these people telling me that I'd make a killing.

BootyLicious: And the first time you did any modeling, you did a boy/girl shoot?

Mz. Booty: Yes, I was comfortable with that. It was something that I was used to. So it went well.

BootyLicious: But you do girl/girl, too, right?

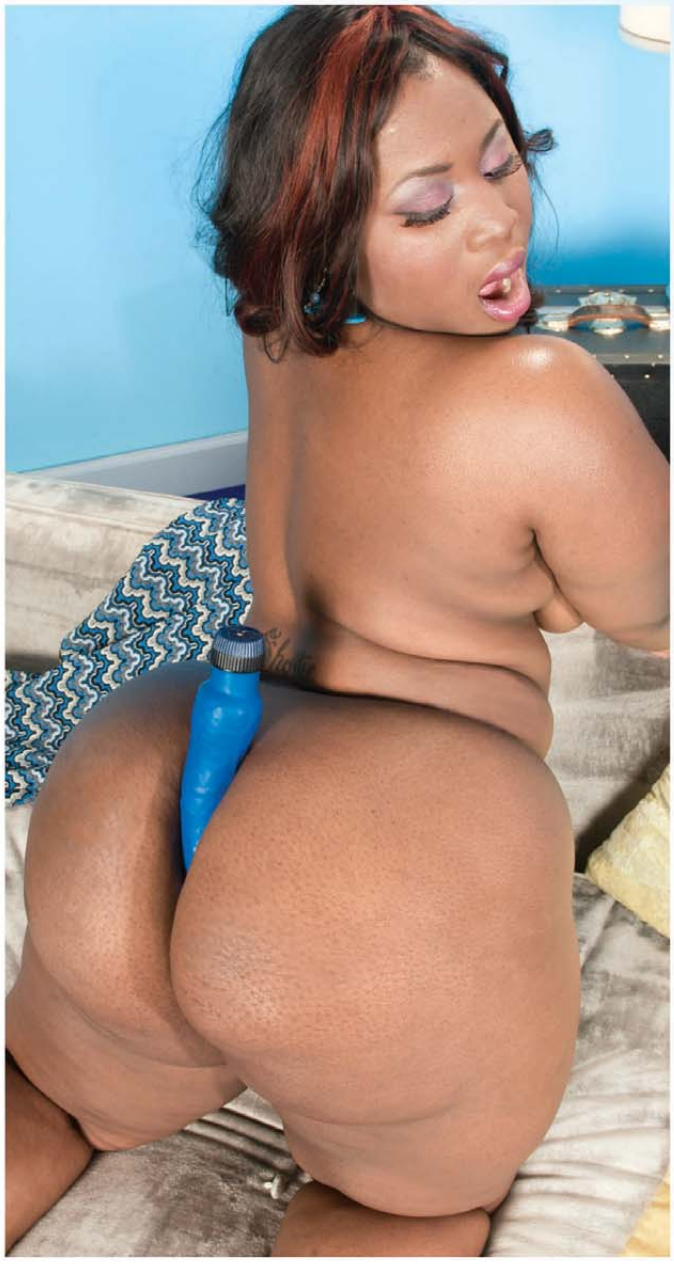

Mz. Booty: Yes I do. I did a scene with Pinky in her movies. She loves to strap up and get down with her girls. And we had some difficulty with that at first because we both have big booties and we are both short. So we ended up having to work around each other in different positions, but I think that it turned out well.

BootyLicious: So it was you and Pinky, one on one? Two ass greats, together?

Mz. Booty: [*Laughs.*] Yeah, it was fun! We were laughing and tripping out.

BootyLicious: Let's talk about these pills you have trouble swallowing. If you have a very sensitive gag reflex, how does that affect when you give blow jobs?

Mz. Booty: In the beginning, when I start giving the blow job and the cock hits the back of my throat, it's tough. But I like sex a lot and I am a nympho, so I get into it. And before I know it, I don't feel it anymore. It's just in the beginning that it

causes me a little trouble.
BootyLicious: Now what is your freak technique to giving a good blow job?
Mz. Booty: When I deep-throat, I like to suck really hard so that my gums practically touch. And it's important to play with the head, too. And I have my tongue pierced, so they really feel it when I suck hard. Of course, I use my hands, too. I'll stroke the shaft and I'll use my other hand and play with the balls, too.
BootyLicious: Do you spit or do you swallow?
Mz. Booty: I don't usually swallow. They can cum on my face, though. But one thing, and this is serious. Look out for the eyes. It burns! [*Laughs.*]
BootyLicious: Listen to that, guys! No eyes, ever! Now, what do you eat to maintain a huge ass and such a tiny waist?
Mz. Booty: Well, I really don't have any type of diet. I eat whatever I want and most of it goes to my hips. my thighs and my booty, not my stomach. I've always had a really small waist. This is actually the biggest my waist has ever been and I love it. I love my little love handles and my little rolls. I think it's kind of sexy.
BootyLicious: We think it looks good. And here is our measuring tape. Let's get you measured. We'll start with your boobs first.
Mz. Booty: Okay. [*Stands.*]
BootyLicious: Okay, your bust is a 40. And your waist is a 30, so you were an inch off. And now for your butt. Are you the biggest butt we've had in the magazine?
Mz. Booty: Let's see.
BootyLicious: Well, you are a 52. Not the biggest we've had, but let's do some math. If your ass is 52 inches and your waist is 30, that means that your ass juts out an amazing 22 inches from your waist. That's almost an entire two feet. That is pretty incredible. Your ass is like a chair. Someone could sit on it and just relax.
Mz. Booty: Would you like to sit on it now?
BootyLicious: That is a question you don't have to ask twice, Mz. Booty! [*Stands up and sits on Mz. Booty's booty.*] For the record, Mz. Booty's ass is now a chair. This is incredible! Wow! Okay, we should stop before your ass becomes a permanent chair here at *BootyLicious* magazine headquarters. It really is very comfortable. [*Laughs.*]
Mz. Booty: [*Laughing.*] That can only happen because my back arches like that naturally. It always has.
BootyLicious: Okay, so you said you are a nympho. So tell our readers what kind of guys you are into?
Mz. Booty: As far as looks go, it doesn't really matter. Looks are not that important. What matters is if you respect me and my family. And of course, if the guy respects his family, too. Personality is important because a guy has to have a good sense of humor. And of course, he should be

working. It doesn't matter what he does as long as I see him putting in some sort of effort. Just as long as he is handling his business the right way and he is kind.

BootyLicious: Tell us a crazy story about you and your ass and the havoc you cause when you are out.

Mz. Booty: Well, this one time, I was out with my ex-boyfriend and we were going out to dinner and we stopped at a gas station. There was this group of, like, five guys there and they clearly saw that he and I were together. But when I went inside, they followed me around the store. And I think I bent over to get something from a low shelf and they were like, 'Damn!' all loud and crazy.

BootyLicious: That is exactly what we would say if you bent over in front of us, too.

Mz. Booty: [*Laughs.*] Well, they followed me outside and one of them walked up to my ex and told him, 'You'd better be taking care of that, because the minute you mess up, I'm going to be all over that.' And I'd never seen these guys before!

BootyLicious: Do you have any embarrassing stories? You said that yesterday you fell on your butt…

Mz. Booty: Yeah, but I was kind of laughing when it happened. I'm managed. I am not the type to give up and quit. Especially when I want something so bad.

BootyLicious: And aside from yesterday's fall…

Mz. Booty: My biggest thing is that I am always mooning people because it's hard for me to find jeans that fit my waist and everything else. So my jeans only go up so far and then the top of my ass never gets covered up. It might work for me, though, because I have a thin waist and of course, I rock the thongs and it looks cute, but the reality is that if my shirt comes up a little, my ass is totally showing.

BootyLicious: Do you buy

Mz. Booty has an ass so big that she shreds clothing. That's right, her huge ass literally tore these shorts apart. So what did she want to do with these ripped shorts? She wanted you to have them. "I want them to have these because they were all over my luscious ass," she told us. And she signed them, too! So, if you would like to win Mz. Booty's shredded and signed shorts, write in to *BootyLicious* Mag, Mz. Booty Contest, 1629 N.W. 84 Ave., Miami, Florida 33126. A winner will be chosen by *BootyLicious* editorial staff and announced in the January 2010 issue, on sale November 17, 2009.

any specific brands or do you just go with whatever fits?

Mz. Booty: Oh, I have to go with whatever fits. I have never been able to go into a store, see a pair of jeans I like, get them in my size and just buy them without trying them on. I have to try on every pair of pants before I buy them. It's hard.

BootyLicious: That sounds rough. How do you shop?

Mz. Booty: It's easier to find a lot of dresses because they usually fit my waist and are just a little snug on my ass and hips. But shorts are almost impossible to find. I either spill out of the top or the bottom or I can't get them over my hips. Or worse, I shred them pretty badly while I put them on!

BootyLicious: What about the shorts you wore today? It took two girls to help you get them on and you shredded these, too, right?

Mz. Booty: [*Laughs.*] Oh my goodness! Yes! But once they started shredding, I thought I'd sign them and give them away to one of the readers.

BootyLicious: And they can enter the contest on page 35 of this issue. Win a piece of Mz. Booty! Good luck!

Mz. Booty: Good luck, guys!

BootyLicious: What else can you fit that big booty into?

Mz. Booty: Sometimes I can find petite jeans that will fit, but a lot of time I wear spandex because it stretches.

BootyLicious: What kind of underwear do you wear?

Mz. Booty: I am usually in a thong or sometimes I will wear boy shorts, too.

BootyLicious: Do you ever just say, 'Fuck it,' and decide to skip the underwear?

Mz. Booty: It depends on what I'm wearing that day.

BootyLicious: But don't thongs just get lost all up in your huge booty?

Mz. Booty: [*Laughs.*] Yeah. But sometimes it's okay. If I am wearing jeans, my thong usually shows on top, so I wear a color that matches what I am wearing.

LIZZY AGUILAR

Sexy Señorita

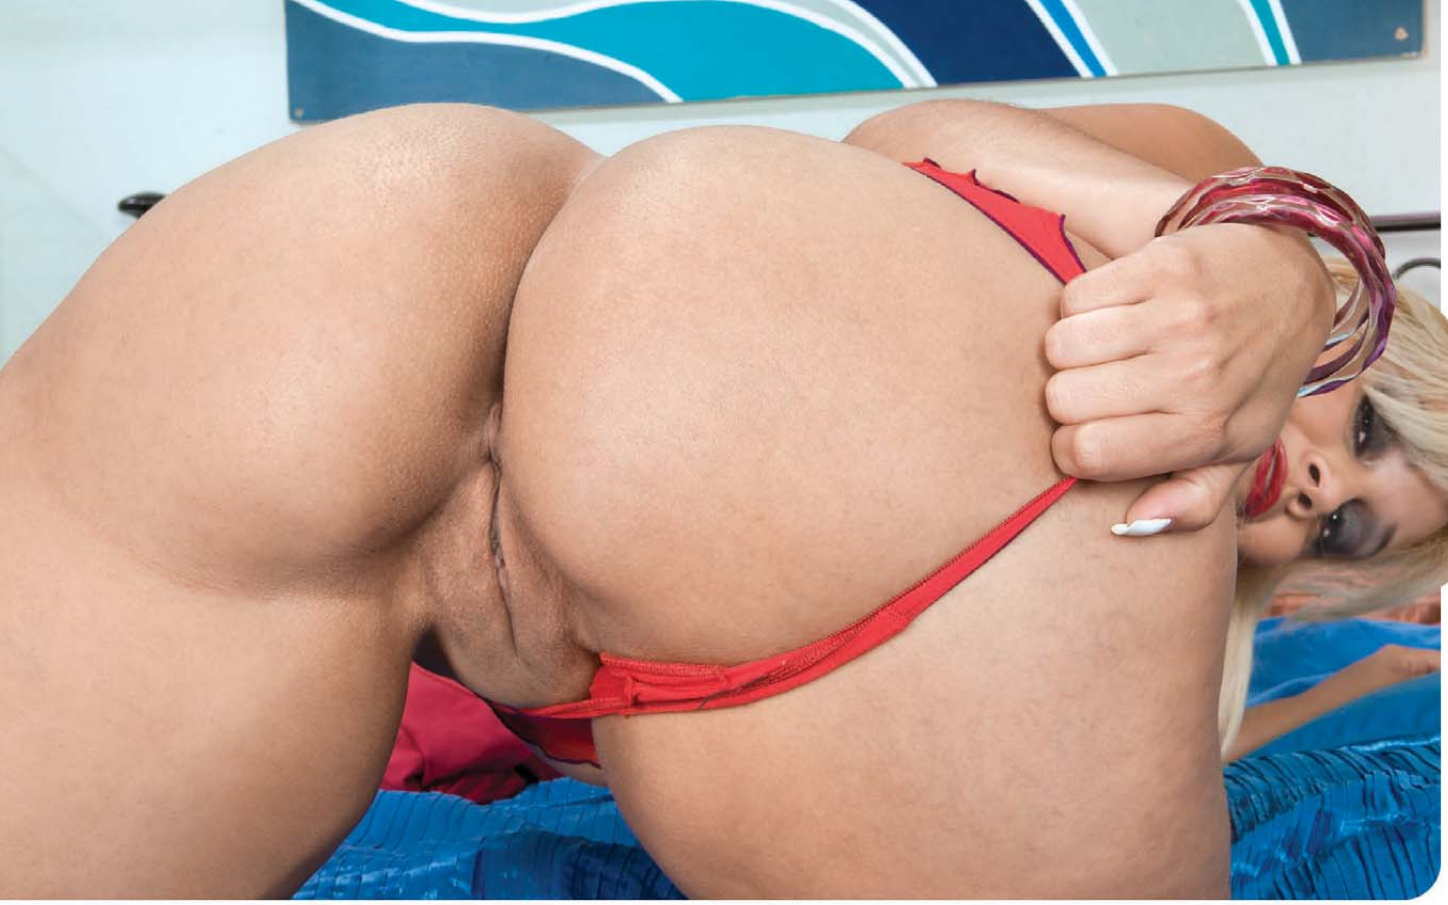

Welcome back, Lizzy! Tell us what you've been up to.

"It's so nice to be back. Because I was in the Feb. '09 issue of *BootyLicious,* I am famous in my hometown of Puerto Rico! Everywhere I go people recognize me. I have so much more sex and my beautiful, round ass is being licked and worshipped all night long. Your magazine made my sex life even better!"

Last time you told us that you like dirty talk, so tell us how'd you say, 'Fuck my ass!" in Spanish. And we want to know if you've finally done anal, too.

"[*Laughs.*] I'd say, 'Póngalo en mi culo, Papi! Démelo duro!' That means put it in my ass and give it to me hard. That should answer your question on whether I did anal, too. [*Giggles.*] I just told you that I like my ass fucked hard. Since so many men saw my big ass and my spread pussy in your magazine, now all they want to do is taste me. And I've always liked it when a man puts some fingers in my ass and a couple in my pussy while he sucks on my clit. So, one day I came so hard from oral sex that I told the guy I was with to bend me over and put his hard dick in my asshole. He was happy to oblige."

So you made the jump right into anal sex, Lizzy? Does that mean that you are going to turn into a butt slut who wants her ass fucked all the time?

"I'm already a butt slut because I love having a dick in there all the time. In fact, I've got it down to a routine. I like my pussy eaten, and then I like my ass eaten. I like being fingered and then I like my pussy to be spread wide, spit on and fucked until I cum really hard. Then I just tell a guy to use my cum to get my asshole nice and wet and when my pussy is still pulsating and I'm still cumming, I like him to slide his dick into my asshole really slowly. It feels so good to get every inch of cock in my ass nice and slow at first and then faster and faster until he is pounding me and I'm cumming again!"

Morgan Cummings

T.L.C. TUSH

Welcome back, Morgan. It looks like you're giving that dick T.L.C....

"[*Laughs.*] I told you guys in the June '09 issue that I fucked a guy on set because I got so horny doing my solo photo shoot. Well, this is the stranger I fucked! It was so hot! I told him that I'd always had this nurse fantasy that I wanted to live out and he was all for it. Fucking him made my fantasy cum true!"

So we see that you told him to put it in your ass, too.

"I had to. Once we started fucking and all these people were watching us, I was so turned on and wild that it just happened. He was fucking me so good and so hard and I just looked at him and told him, 'I want you in my ass right now, baby. Pump my asshole full of your cock and cum!' He was so into it that he just slid it out of my pussy and popped it right into my ass. I went into a frenzy! I was grinding my ass on his dick and I was screaming and moaning so loud!"

BOOTYLICIOUS INTERVIEW

WRITTEN BY MARIA GUERRERO

Booties, oh, so big and round, have inspired many an artist to create. In the last decade, giant asses have been the muse for music careers, movies, books and paintings. And now, thanks to the keen vision of booty-lover Spencer Davis, round and ripe rumps are making their debut in the wonderful world of collectible toys. That's right! Move over Barbie, with your over-inflated chest and flat-as-a-wall ass that makes us wince, there's a new doll in town and she is servin' curves and has ass for days. Oh, yes, the reign of the Booty Babe is here and curve-loving creator, Spencer Davis, is giving us the info on these round-rumped and curvaceous collectibles.

Booty Babe ART®

BootyLicious: Welcome to ***BootyLicious,*** Spencer. We are home to all things ass-tastic and butt-bountiful, so it was only natural for us to feature your Booty Babe dolls in our pages.

Booty Babe Art: Thanks for having me. I'm happy to be here. It's great to be in ***BootyLicious*** magazine.

BootyLicious: We first came across your Booty Babe dolls while searching for some collectibles online. The minute we saw them, we knew that you were our kind of guy. We knew that you, Spencer, are an ass man.

Booty Babe Art: [*Laughs.*] I guess I am an ass man.

BootyLicious: So, tell us about the beginnings of Booty Babe Art. It's a great line of collectibles and we dig the curves. Who was the inspiration for the first Booty Babe doll?

Booty Babe Art: The inspiration for the project was really a combination of all my passions and interests: collecting action figures (from the time I was a kid until the present, movies, travel, fashion, other artists such as Frank Frazetta and Coop), and of course the kind of women that genuinely turn me on! Since you're asking about the "first" Booty Babe, the original vision was a black girl with a big Afro. It had big, brass tone hoop earrings and a yellow base. Think of the Coffy movie poster art from the poster from the 70's featuring Pam Grier.

BootyLicious: Being an ass man, tell us, when exactly did you hear the first call of the ass, Spencer?

Booty Babe Art: Ha! [*Laughs.*] The call of the ass beckoned me when I first

Pinky's killer curves and full, round brown are the stuff of inspiration!

started college. We had a zero percent black population where I grew up in rural Oregon, so for the first 18 years of my life I wasn't exposed to much variety. When I went to the University of Washington I got my first taste of some chocolate beauties. There were a few on the track team that drove me crazy.

BootyLicious: We live in this society where women are told that skinny is sexy. Why do you think that is?

Booty Babe Art: I think it's because mainly gay males are designing fashion. And when they do so, they drape their fashions on these male-like mannequin bodies. This gets published in the big fashion magazines along with all the "finer things in life" and pretty soon it plays on the subconscience that that is the ideal to aspire to. Historically speaking though, fuller figures were considered more desirable and for good reason. Not to get too clinical but, who would you want having your baby? Nicole Ritchie or Salma Hayek? It's natural selection that we males would choose the healthier, more-fertile looking females to reproduce with.

BootyLicious: What is the ideal body type for you?

Booty Babe Art: If I have to choose just one, I think it's considered a pear-shaped body? Not necessarily huge breasts but definitely one with a nice big heart-shaped booty.

BootyLicious: Why do you think that big butts are the new trend and name women that you think pushed that envelope.

Booty Babe Art: Because beautiful and glamorous actresses and musical performers such as J-lo, Beyonce and Shakira came to the forefront to show 'em what's good! Also, our society in general is becoming increasingly multicultural and multiracial. Our new president is an obvious example. With this, society is exposed to different types of beauty.

BootyLicious: Tell us about when you met Pinky for the first time. Did you design your doll for her before or after you met? What do you think about her body? Do you watch her movies? What was her reaction to the doll?

Booty Babe Art: I first discovered Pinky while I was surfing the Internet for, uh…references. Yes, searching for sculpting references [*Winks.*] To be honest, I had never seen her in action before I started to work on the Custom Pinky Booty Babe doll. I'd just seen lots of lovely pictures. I made the doll because the AVN Convention was coming to town. I live in Vegas and I thought, just maybe, she will be there and I can get her autograph on a picture of the doll I created. So I went and asked her if I could get my picture with her. I was like a nervous, star-struck high school boy. She was very gracious and took the time. She further encouraged me to stop by her booth later for some free DVDs. So, yes, I have seen Pinky in action now. Someone had warned me, previous to the show, that she had gained weight and that maybe I wouldn't like it. But I thought she looked fantastic! Unfortunately I blew it and did not get pictures of the piece printed on time, so I'm not even sure if she has seen it yet. I mentioned it to her and she seemed intrigued. Maybe by now someone has directed her to my website and she has seen the pics of the doll.

BootyLicious: Which one of your creations is your absolute favorite?

Booty Babe Art: It's too hard to say, I'm proud of them all. I really like the *Pride of the Masai*. It's a very unexpected beauty. I would say that it's very exotic. I also really like *Best on Venus*, which is a purple space cadet weilding a

Welcome back to* BootyLicious, *Kaleah. You're looking really sexy!

"Thanks. I like looking good for my men. Guys get bored with the same old thing in the bedroom. If you keep it sexy and fresh, you'll keep a man satisfied. Men like surprises and they love not knowing what you may do next. At the beginning of this photo shoot, I was on the phone and I looked over and told Jordan, 'Eat my big ass right now.' He thought it was kinky and ate my ass right then and there."

So, in the Jan. '09 issue you told us that you really like giving head...

"And I still do really like giving head. [*Laughs.*] In fact, I am so good at it that I've actually been able to make a guy cum with my mouth in less than three minutes. That's impressive, right? But lately, I've been about getting head. I like to spread my ass cheeks wide and tell a guy to taste my tight asshole and fuck it with his wet tongue. You have no idea how hard that makes me cum!"

So it gets you off when a guy sticks his whole tongue up your asshole?

"Oh, my God, yes! Just thinking about it right now has me grinding my pussy into my chair. I can't explain why it makes me so horny, but it does. Maybe it's because he has his whole face buried in my ass, but just seeing a man use his mouth to give me pleasure is so hot that my pussy drips. I want his face so buried in there that I can feel his nose in my pussy!"

retro-futuristic ray gun.

BootyLicious: If you could have any big-bootied babe model for you, who would it be? We're talking about booties from the past or present.

Booty Babe Art: You know, it's funny you should say that. If I could choose anyone, I think it would be Pam Grier. She's timeless. So is Selena the Latina songstress, may she rest in peace. And Ebony Ayes comes to mind as well, among adult film stars. And honestly, Pinky is up there too!

BootyLicious: Designing collectible toys is something that you normally see done in the Horror/Sci-Fi genre. Now be honest, Spencer...are you a geek in freaks clothing?

Booty Babe Art: I'm a geek in geeks' clothing! Geeks are my peeps! But I'm part German so I figure that gives me license to be freaky too. [*Laughs.*] I guess that's where my nostalgic, pre-pubescent interests remain: Comics and sci-fi movies. I LOVE all that stuff. You'll see a couple of Storm Trooper Babes in the custom section of my site! Look out 'cause the new pose lends itself to a possible Wonder Women!

BootyLicious: We think that curvaceous, *BootyLicious* women are normally associated with the whole Hip-Hop urban culture. Are you into Hip-Hop? If so, who are you listening to?

Booty Babe Art: Not per se, but lately I've been listening to Santogold and M.I.A a lot. I love them.

BootyLicious: What do you think about video vixens? It's clear that your line is geared towards elevating this rounder, curvier body type rather than exploiting them, but there is this whole other side to curvy love. While you are putting them on a pedestal, a lot of guys are asking for these ladies to put it on the glass. Your thoughts?

Booty Babe Art: Well, thank you for saying that. I should say, I'm not above visiting strip clubs once in a while. It's like a fantasy land! But I do get tired of the one-dimensional image that videos portray; that our goal in life should be get a big stack of hundred dollar bills and fan 'em out on the bed, drive cars with big, shiny wheels and wear big bling around our necks. And I really don't like it when they refer to the girls as bitches.

BootyLicious: Give me a list of the five voluptuous honies out there that

SAPHIRA

Welcome to* BootyLicious, *Saphira. You are packing a nice, wide ride for a white girl. You probably get hit on all the time because of your ass, right?

"You have no idea how many guys hit on me. I am only 5'3", so I have a lot of ass for being so short. And I think because I am short, guys are even more attracted to me because they want to carry me and have their way with me in the bedroom. And you know what? I don't mind it because when I am fucking, I want to be thrown around. That is one of the advantages of being short and having a big ass. Guys can fuck me really hard in doggie-style and they can move me around really easily."

With an ass like that, we want to manhandle you, too. What kind of guys do you like?

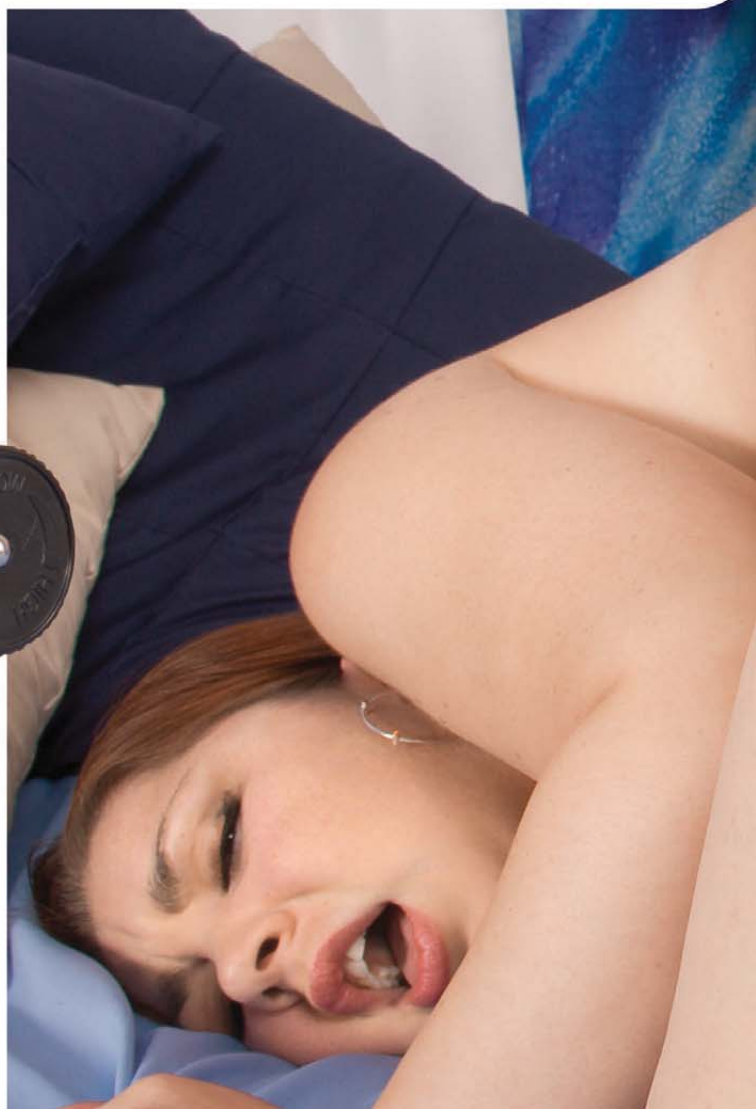

"I like men who take charge. I think it's annoying when guys come up to me and I can tell that they are nervous and then they tell me some cheesy pick-up line. It's a total turnoff. I like it when men come up to me and say things like, 'I am going to do things to you that no man ever has. When I am done with you, you're going to be in love with me and my big dick.' That takes confidence. If you can talk to my face like that, I can only imagine what you can do to my pussy!"

Tell us what a guy can do to make you cum hard, Saphira.

"Truth be told, I just like to get fucked really hard in doggie-style. I like it when I can hear a guy's balls slapping on my pussy and when his hips slam on my ass and it makes a loud noise. If a guy is fucking me that hard, it makes my ass all red and my pussy gets nice and creamy. I've been known to cream down my thighs and onto a guy's balls because once I start cumming, I can't stop. I've even squirted before!"

Welcome back to* BootyLicious, *Mina. In the Jan. '09 issue you said you were looking for a guy to buy you nice things...did that work out?

"It takes a lot of good pussy and sloppy head to get a man to take care of you, so you know that I am putting in a lot of work. But it is paying off because I am well taken care of. I have my man at home who takes care of me when I am in need of some cash and a dick to work my ass. And I have my vacation men and they break me off when I am relaxing at some tropical spot. When I went to Miami, I met up with Pike and he loves to eat pussy, so I call him my 305 man. We were in *Ridin' Phat Asses* and our scene was so hot that I watch it when I am alone and playing with my pussy."

Do your men know that you make pornos?

"All of the men I am with know about my movies and that I posed for your magazine. I tell them and it never turns them off. In fact, it makes them want to fuck me even more! Sometimes they want to watch my scenes while we are getting freaky. I always say yes to that."

Tell us about the wildest thing that you have done while you are fucking, Mina. We want to know the freaky details!

"[*Laughs.*] All right, I'll tell you a good story. I met this couple at a club a few weeks ago and they were both all about fucking me. They wanted to tag team my ass! I didn't mind because they were both sexy. So, I took them to my hotel room and I showed them some of my home pornos. Well, they got so into it that they told me to whip out my camera and direct them in a scene. Eventually, it led to them doing their first anal ever and I caught it on film!"

BOOTY BABE ART

you think are *BootyLicious.*

Booty Babe Art: There's Buffie. We mentioned Pinky. Thalia Tate is super-cute. And I'd say Deelishis and Toccara round out the top five.

BootyLicious: Let's talk about sex for a second, Spencer. In your opinion, informed or otherwise, do you think that the phrase, "more cushion for the pushin'" is true or untrue?

Booty Babe Art: I can't say I've personally experienced an honest-to-goodness BBW. But I love soft, unmistakably feminine women. They are warm and fun to hug and hold onto. I'm gonna say, yes, it's true.

BootyLicious: We've seen a lot of the custom pieces you have done and they each have their own personality. Where does the inspiration for these come from and what is something that we might be seeing soon?

Booty Babe Art: Well, if you take a look at my Sneak Peek section of my website, you will find that I am in the process of sculpting a BBW. But it's a long process and it will be about a year before I finish that sculpt. As for custom paint-ups, my inspirations may come from a page in a magazine, somethin' I see online, or a women I saw at the grocery store that day. I also get ideas whenever I travel. Lately I've been enjoying more detailed brush work. Look for more tattooed pieces, too. I plan on doing an elaborate back tattoo of a koi fish, maybe on a Japanese-themed piece?

BootyLicious: Is there a chance that you'll hold another contest for a model of the year? And could you see it being something that you would do with adult stars like Kelly Starr or Mz. Booty? Or are you just looking for the big-bootied chick-next-door?

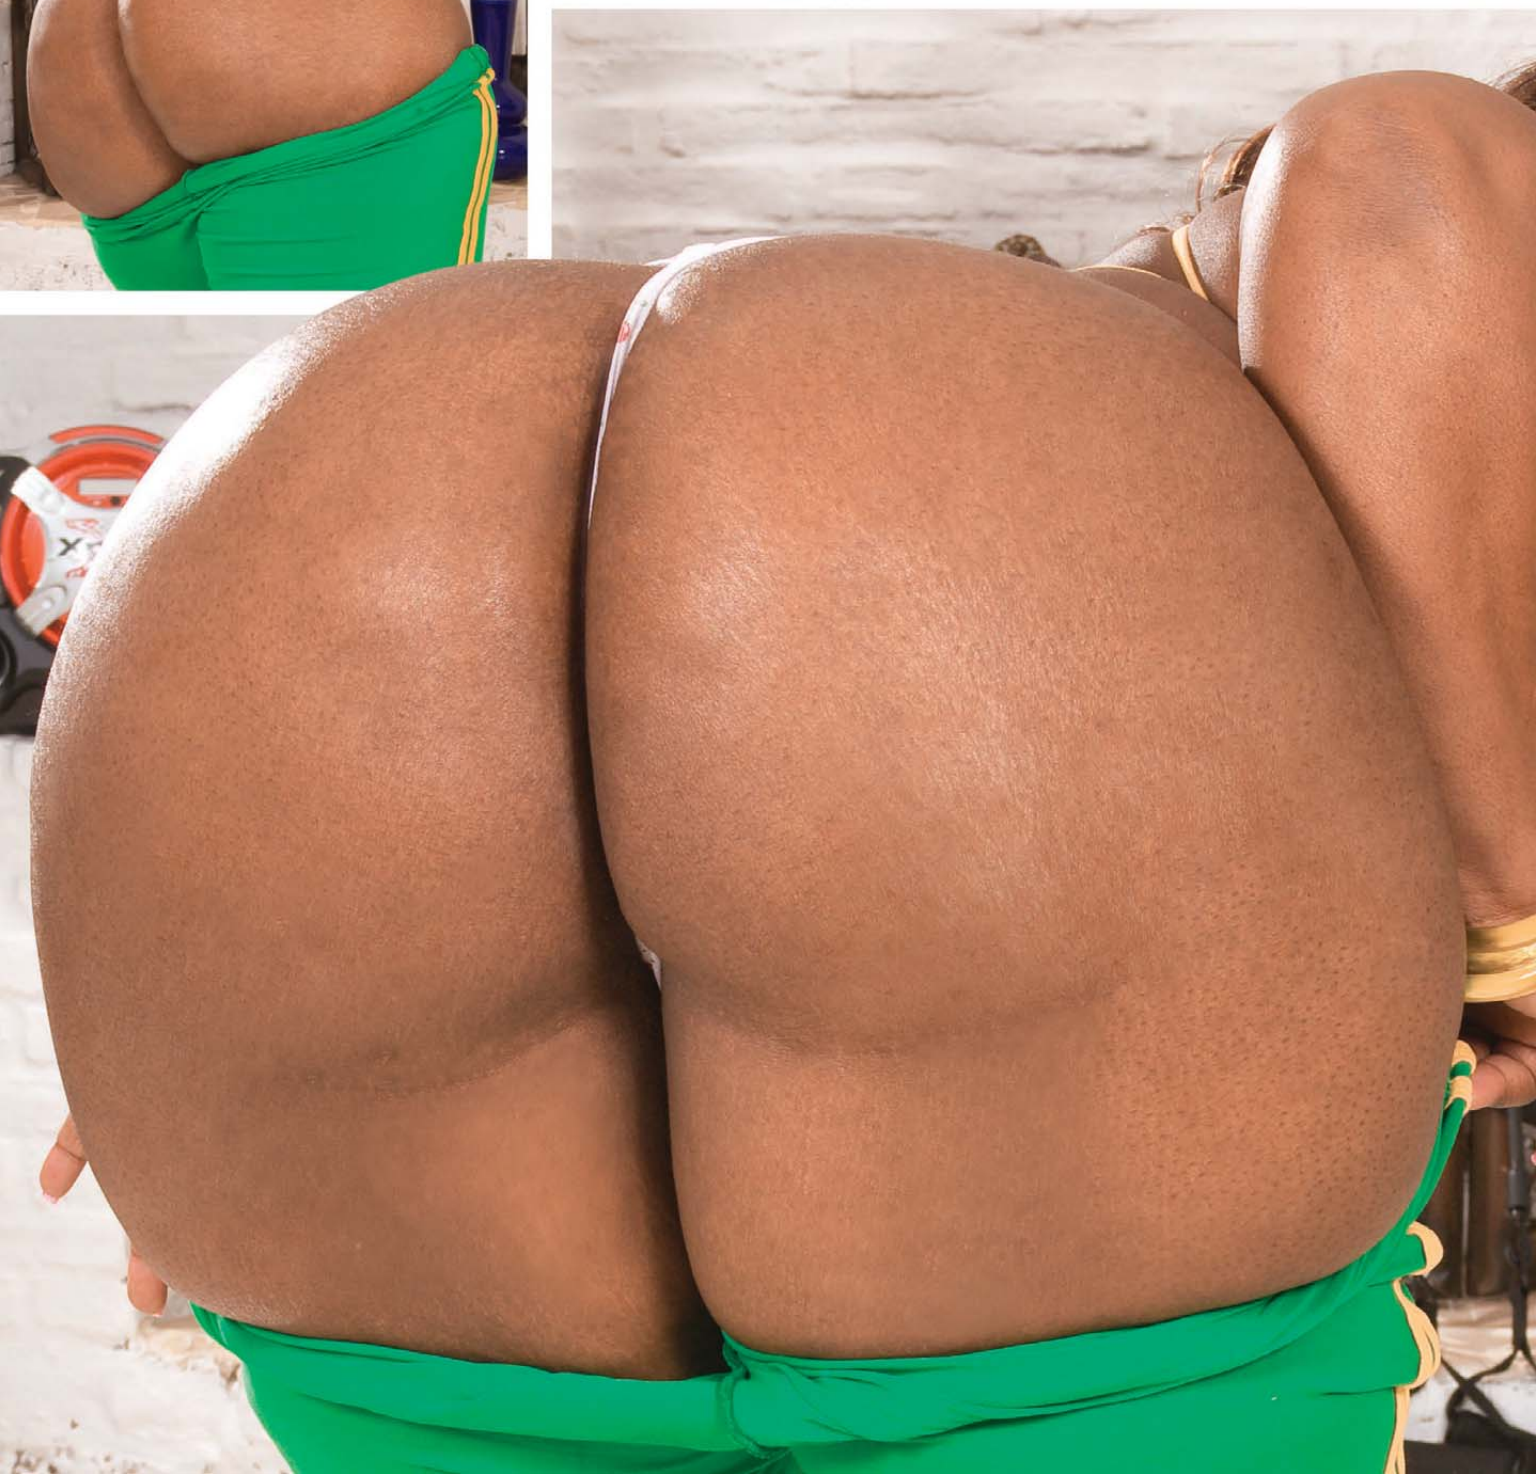

Booty Babe Art: Yes, I was thinking about doing the contest again in '09 but again, there's just too much going on this year. But I have every intention of doing it again next year. Actually, the 'girl next door' sorta' captures the spirit of the contest and my work in general; that these beauties are actually out there in everyday life. And like an easter egg, every once in a while you come across one, most unexpectedly. It really makes you happy to be alive! Having said that, if Buffie the Body entered the contest…I wouldn't frown on that at all! [*Laughs.*]

AMIRA JONES
Ass-er-cise

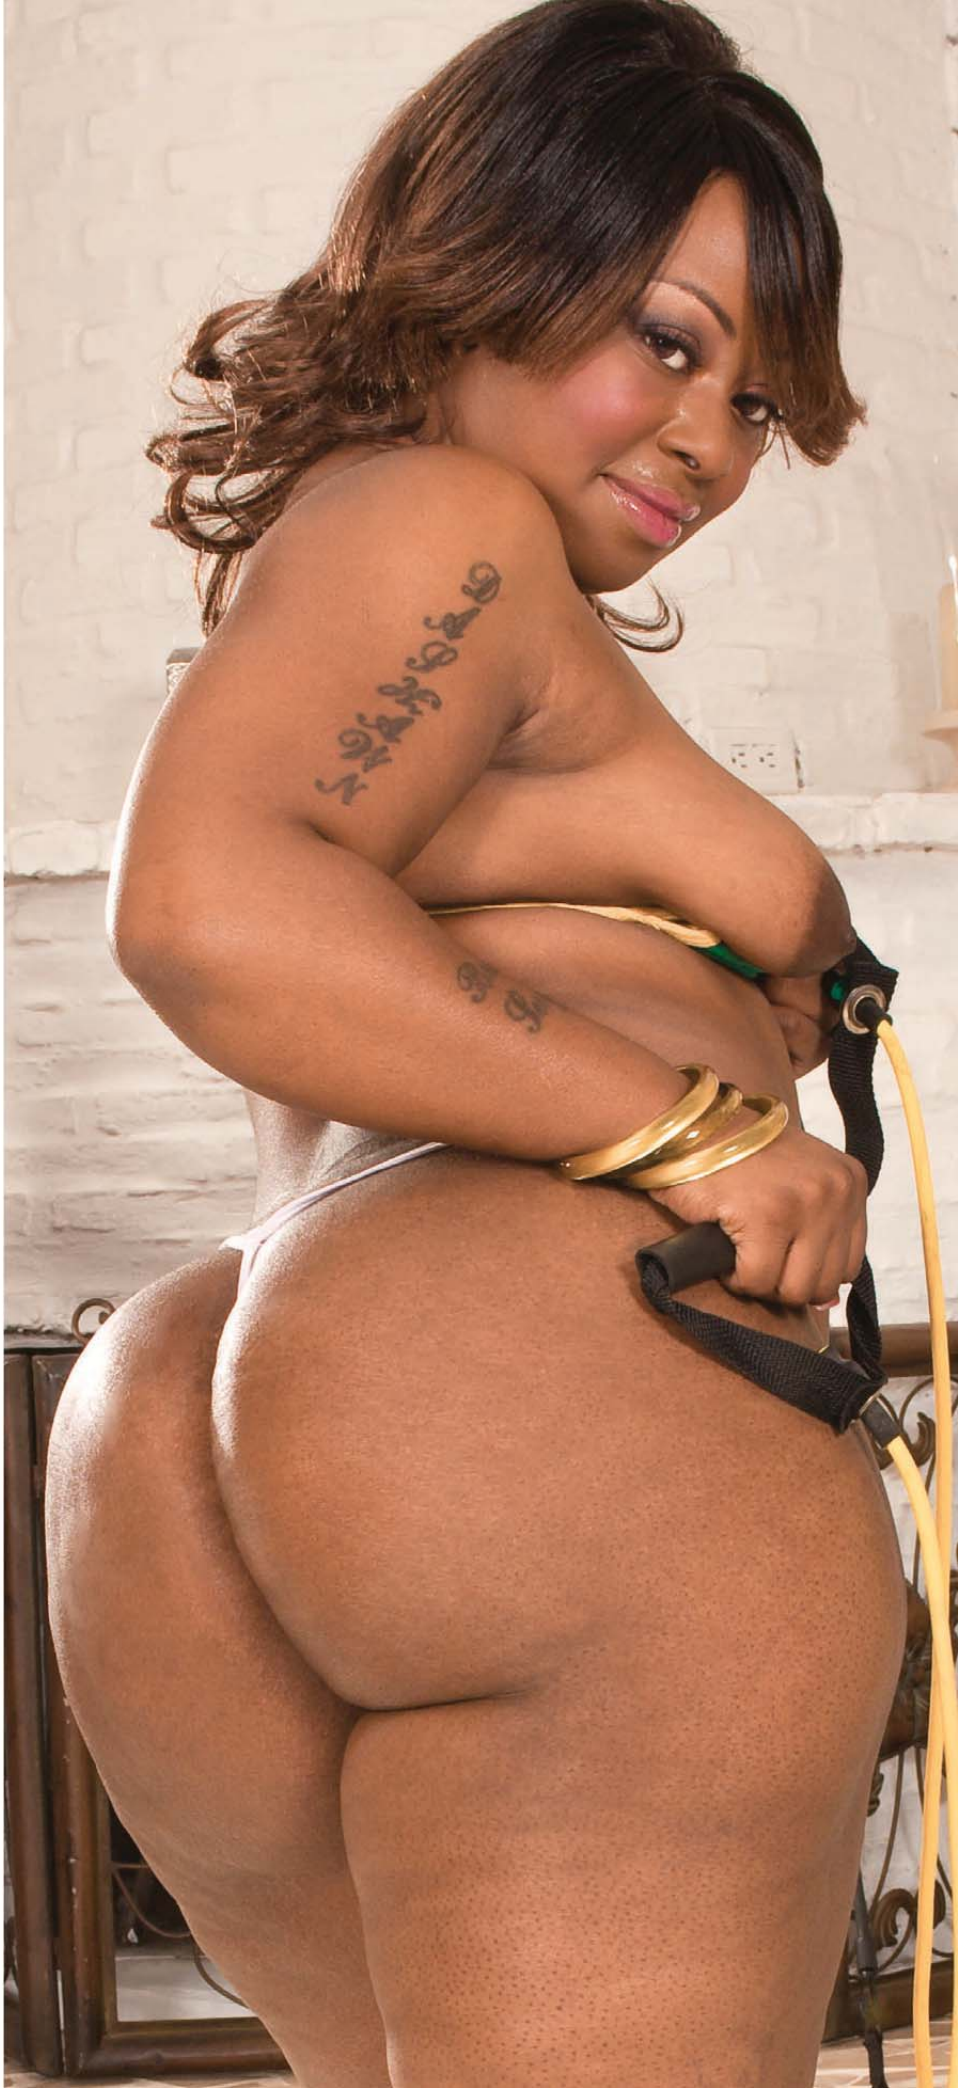

Welcome to BootyLicious mag, *Amira. We'd definitely like to work that big ass of yours out!*

"You like all this ass, huh? Well, you aren't the only ones. No one can resist these curves because they are dangerous! I'm the type of woman who is horny all the time. I need dick every day, sometimes twice a day. In fact, I just started working out recently to try and burn off all this sexual energy that I have. But it's not working because so far exercising just makes me hornier!"

Don't work out too hard and lose that ass!

"[*Laughs.*] There's no way that would happen. You see, I love to cook and all the food I eat goes straight to my ass, so it just keeps getting bigger and bigger. I never hear any complaints, though. Men seem to like all this cushion that I am packing so they can fuck me rough."

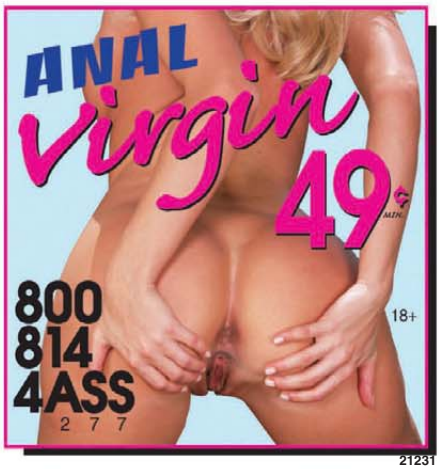

It looks like you worked your pussy out, too.

"All my exercise routines end with me stuffing my pussy with a toy and playing with my clit until I cum. I have to keep my kitty in good shape, too, so that it's always tight and right when I bounce it all over a big, stiff dick."

MZ. BOOTY

continued from page 36

BootyLicious: You coordinate, right?
Mz. Booty: [*Laughs.*] Yup. You gotta make it work sometimes.
BootyLicious: And when you are out do you wear outfits that call attention to your ass and titties? With an ass like that, how do you not call attention?
Mz. Booty: Well, if I'm going out to the clubs, I'll wear something more revealing. Maybe something that shows a lot of cleavage and shows off my butt. But for everyday places, like a store, I dress normal. I don't try to expose my curves.
BootyLicious: What's normal wear?
Mz. Booty: I am usually in jeans, a nice tank top and some cute flip flops.
BootyLicious: So you're an around the way type of girl, right?
Mz. Booty: Yes, I am your average girl. I am very laid back and just chill.
BootyLicious: And when you go out, are you a shy person?
Mz. Booty: Um, sometimes I can get really shy. If I am somewhere that I don't really know anyone, then I am very quiet and to myself. I guess I'm shy. I don't mind it though, because I get so much attention all the time that it's kind of nice to be all by myself and quiet.
BootyLicious: When you go out dancing, you do attract a lot of attention, right? Swinging that big booty around.
Mz. Booty: Yeah, once I start dancing, usually guys will form a circle around me and just watch me move. It's funny because sometimes I will watch girls go off on their boyfriends in front of me because they are paying so much attention to me. It's funny. There are a lot of guys who offer me drinks, or, sometimes they offer to buy drinks for my whole table, just so that they can speak to me. The only way that I let that happen is if they are very respectful. Guys are usually very cool with me and they treat me very respectfully. I don't like guys who are very aggressive or like try to get all up on me. Usually guys are nice, though.
BootyLicious: You told us that girls approach you and that you did girl/girl with Pinky. Do you hook up with girls in your personal life, too?
Mz. Booty: Yes, in my personal life I have been with a woman.
BootyLicious: What is the difference between being with a woman?
Mz. Booty: Other than the dick, there is really not that much of a difference to me. It's really all about the connection.
BootyLicious: So you don't think that there is a difference at all?

Mz. Booty: I don't treat a girlfriend or my boyfriend any differently in my relationships. I put in the same time and effort into both relationships.

BootyLicious: Wait…girlfriends? So you are bisexual, then?

Mz. Booty: Yes, I'm bisexual.

BootyLicious: How do girlfriends feel about your modeling career?

Mz. Booty: They always respect it. They like to be on set sometimes.

BootyLicious: And what gets you off the best during sex?

Mz. Booty: I like getting it doggie-style while I am eating pussy or getting my pussy eaten while a girl is getting it doggie-style. I like that.

BootyLicious: And what are your fantasies? What haven't you done yet that you really want to do?

Mz. Booty: I have thought about doing double penetration. I don't think that I would do it on film just yet. I think that is more something that I just want to experience in my personal life. I've always been curious about it.

BootyLicious: And you do anal?

Mz. Booty: Yes, I do it in my personal life. I've never done it on film.

BootyLicious: Do you cum when you are doing anal? Or is it something you do strictly for your partner?

Mz. Booty: I can cum. I actually enjoy it.

BootyLicious: Some girls just do it because their boyfriends like it.

Mz. Booty: I do it because I like it. I think that once you get used to it and you become very comfortable, it can actually be very enjoyable.

BootyLicious: What do you think is the best way to get into anal?

> ***"I like to suck cock really hard so that my gums practically touch…I stroke the shaft and I like to play with the balls, too."***

Mz. Booty: I would have to say it's all about the lube. A guy should put some lube on his fingers and slide them into your asshole and it relaxes you. Some people will use things like Anal Eaze to numb the asshole a little, too.

BootyLicious: Do you prefer a certain cock size when you do anal?

Mz. Booty: I like an average size. It's not so much the length as it is the girth. The thicker someone is, the more it hurts to do anal with them.

BootyLicious: Do you have to cum a few times before you do anal?

Mz. Booty: No. Just lube it up and go!

BootyLicious: You have very nice, big boobs. Do you like titty-fucking?

Mz. Booty: I'm not into it, but I will do that that for my partner. Guys ask to fuck my ass cleavage a lot. Just to see how it feels. And once I almost smothered a guy with my ass because I was sitting on his face.

BootyLicious: Was he okay?

Mz. Booty: Yeah, he laughed about it once he caught his breath.

BootyLicious: What about dirty talk? Are you into that?

Mz. Booty: I like it when guys talk dirty to me, but I don't really talk dirty to guys. It's not my thing.

BootyLicious: Unfortunately, it looks like we are out of time, but thank you so much for letting us sit on your *BootyLicious* booty! It was amazing!

Mz. Booty: [*Laughs.*] Thanks for having me and I'd like to tell all of my fans to write in to win my signed shorts! Oh, and to log in to *BootyLiciousmag.com* to see me take on Blackzilla's big dick in a full-length XXX video! It's hot! **B**

BOOTY BABE ART

continued from page 80

BootyLicious: Let's do some quick answer questions, Spencer. Okay, who do you prefer: Beyonce or J-Lo?
Booty Babe Art: Definitely J-Lo.
BootyLicious: Boy shorts or thongs?
Booty Babe Art: I'll say thongs.
BootyLicious: Do you like bubble butts or asses that are wide rides?
Booty Babe Art: Wide bubbles.
BootyLicious: Is anal important?
Booty Babe Art: Not important.
BootyLicious: City where you can find the best asses around?
Booty Babe Art: Rio de Janeiro.
BootyLicious: Who's hotter: Luscious Louis or Danesha Marquel?
Booty Babe Art: Danesha Marquel.
BootyLicious: Do you prefer aggressive women or shy ladies?
Booty Babe Art: I'd say aggressive.
BootyLicious: What is your favorite curse word to use, Spencer?
Booty Babe Art: [*Laughs.*] Dang it!
BootyLicious: Who is your favorite African-American actress?
Booty Babe Art: Pam Grier.
BootyLicious: Well, Spencer, as much as we have enjoyed chatting with you today, we are being summoned by the call of the ass to head back to the studio and check out Mz. Booty. She is in this issue, too. You should check her out. Her interview and her outstanding ass are entertaining beyond compare. She is probably one of our new favorite bootied beauties of all time. Why, you ask? Because we sat on her ass, like a chair, during our interview. Now, if that's not a testament to a big ass, we don't know what is. But before we go, tell our readers where they can get their hands on some Booty Babe Art.
Booty Babe Art: They can go to my website at *www.BootyBabeArt.com* and they will find a bunch of dolls to choose from and a bunch of new and exciting stuff that I'm working on.
BootyLicious: And with that, we will say thank you for sitting with us today, Spencer, and we hope all of our readers go and check out Booty Babe Art and see what the well-earned hype is about.
Booty Babe Art: Thank you. **B**

HONEY MONROE
LOCKEROOM
LOVEDOWN

Hi, Honey. When we last saw you in the June '09 issue you told us that you loved anal and that you were built to take it in the ass...

"And here I am to prove it, baby! [*Laughs.*] When I first came to *BootyLicious* mag, you guys asked me what my interests were and to tell you all of my sexiest fantasies. Well, I did and one of them was this locker room fantasy that I've had since I was in high school. I'd masturbate and imagine that I was playing with my pussy in the locker room after a game and that I'd got caught."

And who exactly was it that you were fantasizing about catching you doing all sorts of nasty things to your pussy and asshole, Honey?

"It was always a different guy every time I fantasized. Sometimes I would imagine that it was my coach and that he would tell me how I was doing it wrong and then he would show me how to play with my pussy and make me cum. Sometimes I would imagine that it was a whole bunch of basketball players and that they would take turns fucking me in the showers. And sometimes I would imagine that it was a scout from some college and that he'd fuck me right there on the bench and then cum all over my asshole."

So we set up your fantasy fuck and you got down in a locker room. Was it everything that you ever imagined? Did it satisfy your kinky desires?

"All I can say is that I was hornier than I have ever been in my life. Before Colton even touched my pussy, I was already wet and throbbing. And I loved fucking on this bench because I could straddle it and get his dick even further in my pussy. I recommend fucking on benches! It makes the sex so much better. I straddled him and rode him until I was cumming all over him. And while I was on top, he licked his fingers and slipped them into my asshole. That's when I really went crazy!"

Did you cum from the anal, too, Honey?

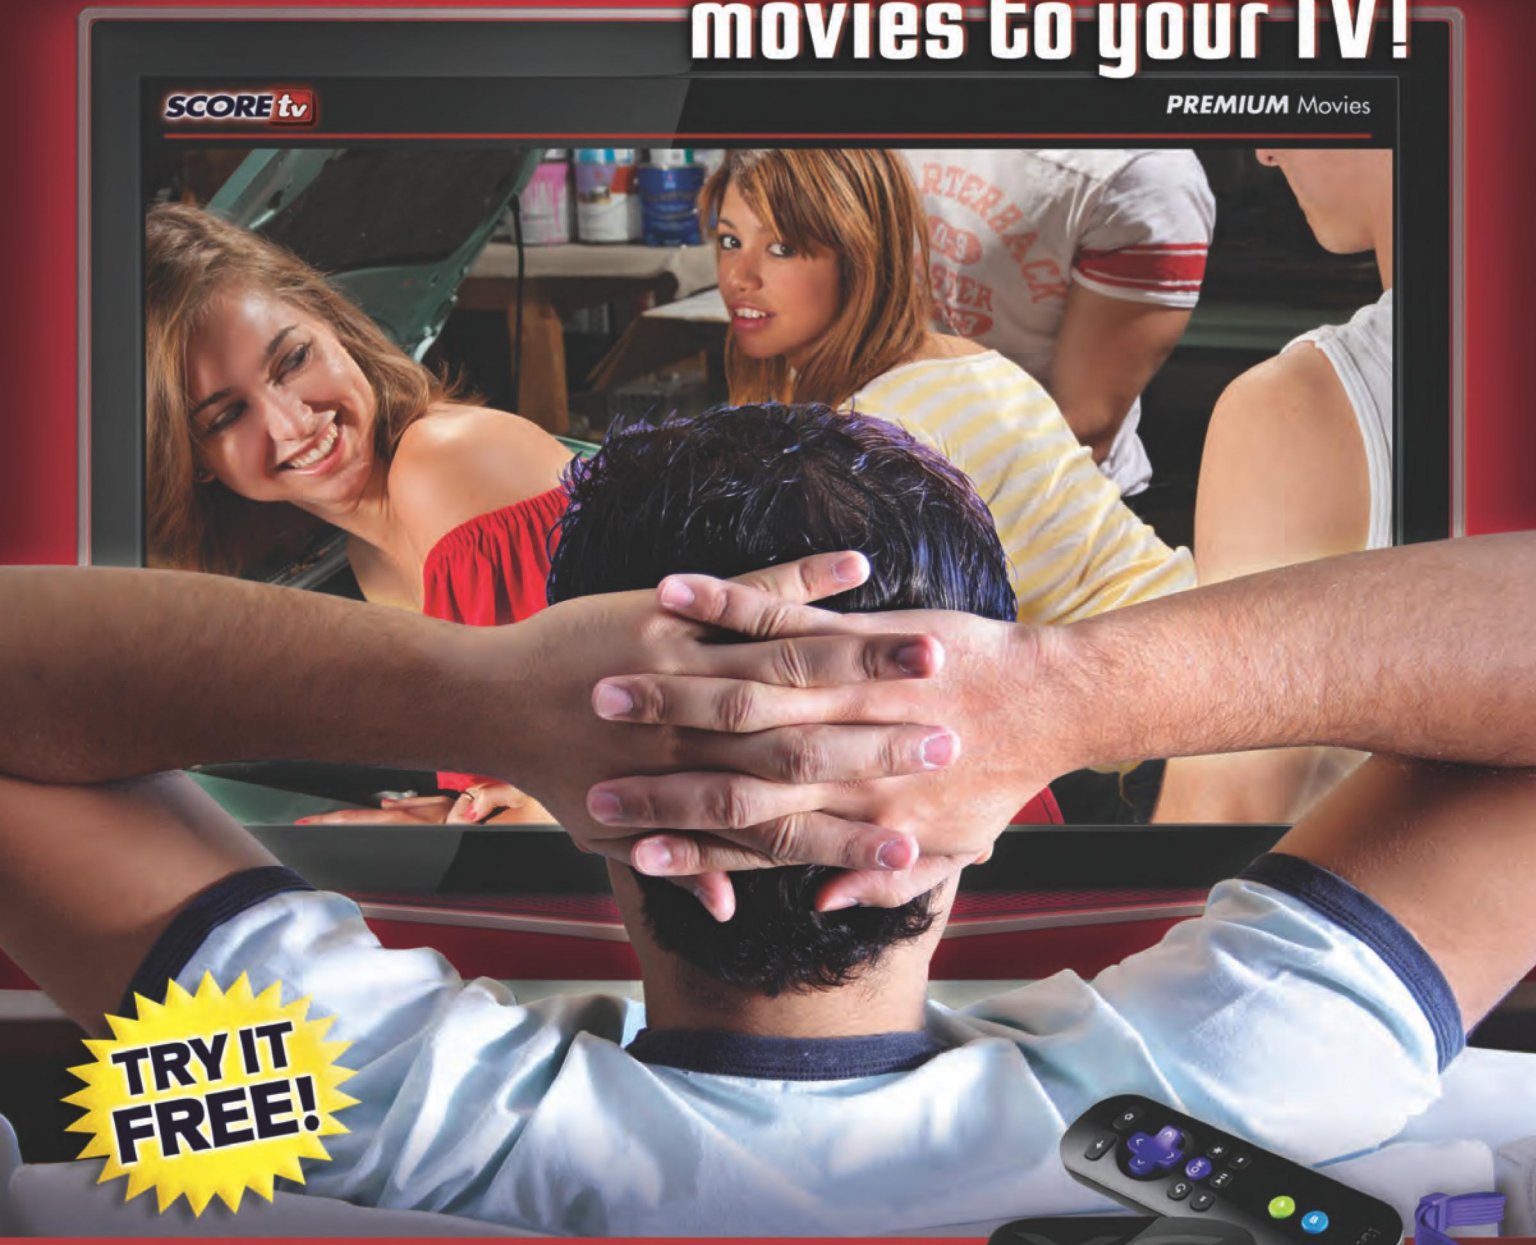

"Yes because anal always makes me cum harder than a dick in my pussy does. Once his dick was in my ass, I started grinding on it and playing with my clit. Before I knew it, I was cumming and he was yelling that he was going to bust all over my fat ass."
